

# THERAPEUTIC INNOVATION

---

AUSTRALIA

## **Progressing the Pipeline: Developing Therapeutics in Australia**

**4<sup>th</sup> National Translational Research  
Capability Forum  
December 14<sup>th</sup> to 15<sup>th</sup>, 2017**

**Lecture Theatre 5, Sissons Building (401),  
Monash University, Parkville Campus  
381 Royal Parade  
Parkville, VIC 3052**

Part of the NCRIS network

## Program

### Day 1 – Thursday 14<sup>th</sup> December

Time	Topic	Speaker
8.30 – 9.00	Arrival	
9.00 -9.15	Welcome	Terry Slater, TIA Board Chair
9.15 – 10.30	TIA activities and immediate future Audience questions and discussion	Chair: Stella Clark Stuart Newman, TIA CEO
10.30 – 11.00	Morning tea	Sponsored by ThermoFisher
11.00-11.30	Introducing SME Assist	Chair: Stuart Newman Adj Prof John Skerritt, Deputy Secretary, Commonwealth Department of Health
11.30 – 12.40	NCRIS2017 Facility presentations – 10mins each 1. Compounds Australia 2. WEHI HTS 3. Australian Translational Medicinal Chemistry Facility 4. ACRF Drug Discovery Centre 5. Centre for Drug Candidate Optimisation 6. National Biologics Facility – Qld Node 7. National Biologics Facility – Vic Node	Chair: Stuart Newman 1. Moana Simpson 2. Dr Helene Jousset 3. A/Prof Bernard Flynn 4. Prof Greg Arndt 5. Prof Susan Charman 6. Prof Stephen Mahler 7. Dr Tim Adams & Dr George Lovrecz
12.40 – 1.30	Lunch	
1.30 – 2.30	NCRIS2017 Facility presentations – 10mins each 8. Centre for Integrated Preclinical Drug Development 9. ACRF Cancer Genomics 10. PeterMac Molecular Pathology 11. Cell & Tissue Therapies WA 12. Melbourne EpiCentre 13. Australian New Zealand Clinical Trial Registry	Chair: Stuart Newman 8. Prof Maree Smith 9. Joel Geoghegan 10. Stephen Fox 11. Stuart Newman (For Marian Sturm) 12. Joanne Tropea 13. A/Prof Lisa Askie
2.30- 3.00	TIA-supported facilities: Connecting it all up	Stella Clark
3.00 - 3.30	Afternoon tea	
3.30 – 5:00	Therapeutic Development under NCRIS	Chair: Stuart Newman CEOs from other NCRIS facilities will present on capabilities offered by their project: 1. Update on review of Therapeutic

Time	Topic	Speaker
		Development Priority - Prof Peter Gray, Chair Therapeutic Development Reference Group 2. Prof Merran Smith – Population Health Research Network 3. Dr Michael Dobbie – Australian Phenomics Network 4. Dr Zofia Felton – Bioplatforms Australia 5. Dr Shane Riddell – CSIRO Australian Animal Health Laboratories 6. Prof Graham Galloway – National Imaging Facility
5.00-7.00	Network mixer – drinks + canapes	

## Day 2 – Friday 15<sup>th</sup> December

Time	Topic	Speaker
7.30 – 8.30	Invitation only NCRIS2017 Facility meeting	N/A
8.30 – 9.00	Arrival	
9.00 -9.45	Plenary 1 Title - MTP Connect	Chair: Stella Clark Dr Mel Thomson General Manager Education, Skills and Events, MTPConnect
9.45 – 10.30	Plenary 2 Title - Have a Good Plan and Manage to it	Chair: Stella Clark Dr Warwick Tong CEO, CTx Ltd
10.30 – 11.00	Morning tea	Sponsored by Medicines Manufacture Innovation Centre
11.00 -12.15	The Australian Therapeutic Pipeline Presentations by Pipeline Members and others	Chair: Stuart Newman 1. Maureen Turner – Biogrid 2. Prof Marcel Dinger – Kinghorn Centre for Clinical Genomics 3. Audrey Partanen – Victorian Cancer Biobank 4. Prof Tim Kuchel – Preclinical imaging Research Laboratory SAHMRI 5. Dr Gordon McPhee – Monash Cell Therapies and Regenerative Medicine Platform 6. Dr Graeme Stevenson – CTx <i>in silico</i> screening

Time	Topic	Speaker
12.15 – 12.45	Facilitated discussion – How can we make better connections?	Chair: Stella Clark
12.45 – 1.00	Summing up	Stuart Newman
1.00 – 2.00	Lunch	
2.00	Close of Symposium	

## Sponsors

TIA gratefully acknowledges the support of Monash University, ThermoFisher and the Manufacturing Innovation Centre for sponsorship support.
